THZ046US | Targus Protective TPU Skin for iPad® 2

The Targus Protective TPU Skin is designed specifically to fit the iPad® 2. The skin protects the back and sides of the iPad from bumps and scratches while featuring the necessary cut-outs for buttons so the iPad is fully functional inside of the skin. Constructed of durable, TPU material, the skin is easy to grip making the iPad comfortable to hold in your hands. Available in an opaque frost colour, the TPU skin is an attractive, protective cover for the iPad.

Compatiblity: Designed specifically to fit the iPad® 2

Functionality: Durable, form-fitted skin protects against bumps and scratches; The pliable TPU finish is easy to grip and comfortable to hold while using the iPad
